## Parent and Student Guidelines in Case of Quarantine

Chattooga County Schools is committed to keeping students safe and learning. As such, students must continue to receive and engage in instruction during quarantine periods. The following guidelines will help keep your student on track if he or she must be quarantined.

### **Parents:**

Please inform your home school as quickly as possible that your student will be quarantined.

Make an appointment with your school to pick up student Chromebooks or other necessary materials. If you do not have internet access at home, let your school know. The school can provide some options so students can continue accessing school work.

Students are expected to complete ALL assignments for each class every day of quarantine. Credit will be given according to the teacher's grading policy, which is shared at the beginning of the year.

Communication with teachers during this time is vital and is available in many formats: email, phone calls, virtual meetings through Google Meet, chats, Remind, and messaging through Google Classroom. If you have difficulty reaching a teacher, please let the school know so they can troubleshoot.

### **Students:**

Students are expected to continue with ALL assignments for each class during any quarantine period. This work is part of a student's grade as outlined in the teacher's grading policy that was shared at the beginning of the year.

### **Pre-Kindergarten**

Students may access assignments through Google Classroom. Assignments for the week will be posted by 9:00 am on Tuesday.

Teachers will communicate with parents via Remind and Facebook.

Students will read or participate in a read-aloud for 15-20 minutes each day. There will be a log to document this reading.

Students will select two additional lessons from the choice board to complete each day.

## Expect Success

The Chattooga County School District does not discriminate on the basis of race, color, religion, sex, national origin, age, or disability in its programs, activities, or employment practices.

The reading log and any artifacts from the choice board activities will be turned in weekly. Artifacts can be anything that shows the student completed the work (pictures, products the student created, etc.) Contact the school to schedule a drop-off time.

## **K-2**

Students will read or participate in a read-aloud for 20 minutes each day. There will be a log to document this reading.

Students will complete math lessons daily by accessing an online learning platform or completing an assignment in the Eureka workbook.

Students will select two additional assignments from the choice board each day.

The reading log, math workbook lessons, and any artifacts from the choice board activities will be turned in weekly. Artifacts can be anything that shows the student completed the work (pictures, projects the student created, etc.) Contact the school to schedule a drop-off time.

## **3-5**

Each day, students who remain with the same teacher all day will follow a schedule as directed by the teacher through Google Classroom.

Students who change classes will follow their school schedule to access and complete assignments in Google Classroom. For example, students assigned to math first period during a regular school day should work on math assignments at home.

Teachers will communicate about any live sessions that are required.

## **6-8**

Students will follow their school schedule to access and complete assignments in Google Classroom each day. For example, students assigned to math first period during a regular school day should work on math assignments at home.

Teachers will communicate about any live sessions that are required.

## **9-12**

Each day, students will follow their schedule set by the schools to access and complete assignments in Google Classroom (or Grad Point for credit recovery courses). For example, students assigned to math first period during a regular school day should work on math assignments at home.
