

Dear Families,

To ensure that students have “at home” learning opportunities during this time of school closures, Get Georgia Reading and Renaissance are partnering to provide readers free, anytime/anywhere access to digital books and news with myON.

Unlimited, 24/7 access makes it easy for students to continue reading and learning at home. Students can read online using any Internet-enabled device, or read offline with [free mobile apps](#).

- The myON library includes more than 6,400 enhanced digital books, with titles for a wide range of reading levels and in diverse genres, including fiction, nonfiction, and graphic novels.
- myON News provides five age-appropriate articles, Monday through Friday, on US and world events, arts and entertainment, sports, science, and technology.

Getting started is easy!
