April 1, 2020

All,

As many of you heard this afternoon, Governor Brian Kemp announced a new Executive Order cancelling all **In-Person Instruction** for K-12 Public Schools in Georgia for the remainder of the school year. For Chattooga County Schools this means that we will not be returning to our brick and mortar buildings this year, however, we will continue with our current plan of Digital Learning and Paper/Pencil packets for the remainder of the school year.

During Spring Break week, I will release new guidance detailing several small changes that you can expect concerning the remainder of the school year.

Please be patient during this time of uncertainty. We have an amazing school community and together we will come out of this situation a stronger and better school system. We can truly be **CHATTOOGA STRONG**.

“Hope is important because it can make the present less difficult to bear. If we believe that tomorrow will be better, we can bear the hardship today.”—Thich Nhat Hanh

Jared Hosmer
Superintendent
