Dear Parent or Guardian:

USDA has granted a waiver which will allow schools across the nation to provide meals to all students free of charge beginning September 8, 2020 until funds have been depleted or December 31, 2020, whichever comes first.

Because we have been granted this waiver, Chattooga County Schools will deliver meals to **all** students on Mondays, beginning September 14, 2020. We will utilize our school buses and bus routes to deliver meals. Meal delivery is scheduled between 11 AM – 12 PM each Monday. Please watch for buses in your area during the specified time to get meals for your children. Meal pick-up will also be available at each school location between 12 PM – 1 PM on Mondays.

Students who are currently enrolled in a 5-day virtual learning model will receive 5 days of breakfast and 5 days of lunch each Monday. Students who will begin virtual learning on September 14, 2020 for Mondays only, will receive one day of breakfast and one day of lunch each Monday. Again, this service will be provided as long as funds are available from USDA under the waiver granted. Please be aware, once funds have been depleted, schools will transition back to our National School Lunch Program, which operates by student eligibility—free, reduced, or full price meals.
