Online Resources

Students have access to various online resources through Chattooga County Schools. Infinite Campus is the Student Information System used to house all student information. Parents and Students can login here. CLEVER is the portal for most online resources. Many of the resources can be logged into through CLEVER without the student knowing the username and password. Some resources are simply links and the student will need to know their individual username and password. Those can be obtained from your child's teacher and recorded in a safe place. Other online resources can be found in this section that may not be accessible through CLEVER.

Infinite Campus

You can find the link to campus student portal on the district website  or click on this [link](#).
